

REQUIREMENT SELF-TRACKING GUIDE

Use this form to complete an unofficial tracking of graduation requirements. View your unofficial transcript on Academic Records Online to see all the courses you have taken. Please note that this form is intended solely for schedule planning purposes for the benefit of the student.

Name _____ ID# _____

Skill Requirements

- First-Year Seminar _____
- Quantitative Reasoning _____
- Language _____

Required proficiency through intermediate level (103 or 201); taking 3 courses may not be required, depending on placement test score

Area of Study (AOS) Requirements

- Literature, Fine Arts, Creative Expression, History _____ Lit _____ CE _____ History _____
- Social Science _____
Maximum of 2 courses in any one department
- Natural Science, Mathematics, Computer Science _____ Nat Sci _____
Nat Sci, Math, or Comp Sci _____
- Philosophy, Religion _____

No course in this section may be used more than once. No double counting within Areas of Study.

Cultures Requirement

- United States _____
- Other _____

These 2 units must be from two different regions, or one region and one comparative course; 1 unit from Study Abroad may be used

Cultures courses may be double or triple counted. They can be used to fulfill both Areas of Study and Cultures, Majors and Cultures, or all three. For example, if you are a Religion major, RELG 262 – Hinduism will fulfill the Philosophy/Religion AOS, a non-US Culture, and your Religion major.

Major Requirements

Notes:

- Nine units in a single department do not equal a major. Each department has specific requirements to be completed.
- Check the requirements in the Academic Catalogue of the year you entered.
- Any alterations to the requirements must be made by written approval of the department, to be submitted to the Registrar's Office.

Major _____

Courses in your major can be double counted to fulfill Areas of Study, Cultures, and Concentration requirements. You cannot double count courses between majors and minors.

Minor Requirements

Notes:

- Kalamazoo College does not require an academic minor.
- Six units in a single department do not equal a minor. Each department has specific requirements to be completed.
- Check the requirements in the Academic Catalogue of the year you entered.
- Any alterations to the requirements must be made by written approval of the department, to be submitted to the Registrar's Office.

Minor _____

Courses in your minor can be double counted to fulfill Areas of Study, Cultures, and Concentration requirements. You cannot double count courses between majors and minors.

Concentration Requirements

Notes:

- Kalamazoo College does not require an academic concentration.
- Six units in one field do not equal a concentration. The program of the concentration has specific requirements to be completed.
- Check the requirements in the Academic Catalogue of the year you entered.
- Any alterations to the requirements must be made by written approval of the department, to be submitted to the Registrar's Office.

Concentration _____

Courses used towards the concentration can be double counted to fulfill Areas of Study, Cultures, and Major or Minor requirements.

Other Completed Courses _____

Senior Individualized Project

Units Completed

_____ earned academic units (see Academic Records Online: Student Information: Cumulative Units)
total

38 total units are required to graduate, including 36 academic units, 1 unit for PE completion, and 1 unit for Liberal Arts Colloquium Credit completion

REQUIREMENTS, GUIDELINES, AND LIMITATIONS

First-Year Writing Seminar: Satisfies writing proficiency only. Does not satisfy Area of Study, cultures, major, minor, or concentration requirements. **1 unit**

Quantitative Reasoning: QRs falling within the Math/Computer Science/Natural Science fields may double count towards that Area of Study. QRs in the Social Sciences (ECON, ANSO 212) will not double count towards AOS. All may be used to satisfy a major, minor, or concentration requirement. **1 unit**

Language: Proficiency through intermediate level (completion of 103 or 201 level) is required. Students who test into 202 or higher have completed the requirement. Students do *not* receive any credit for testing out of courses. **0-3 units**

Cultures: May also satisfy area of study, major, minor, or concentration requirements. Transfer courses may not satisfy this requirement. **3 units**

- 1 unit of US culture
- 1 unit of non-US culture (Africa, Asia, Europe, Latin America, Middle East)
- 1 unit of non-US culture or comparative culture

One unit from study abroad may be used.

Humanities: May also satisfy major, minor, or concentration requirements. **3 units**

- 1 unit of literature specified in the English department; in any foreign language department; or from the following classes: CLAS 210, CLAS 220, CLAS 230, CLAS 240, CLAS 255, CLAS 270, CHIN 235, GERM 135, JAPN 235, PHIL 213
- 1 unit of Creative Expression specified in the English department; in certain Theatre Arts, Fine Arts, or Music courses; or CHIN 215
- 1 unit of History, Art History, Music History, or Theatre History

Note: Classes through K'2008 are allowed to count History courses as a Social Science provided they do not also count a History class under Humanities. To complete the Humanities requirement, they must take a Lit, a CE, and a third, unspecified course in Art, English, Music, or Theatre.

Natural Sciences, Mathematics, and Computer Science: May also satisfy area of study, major, minor, or concentration requirements. **2 units**

- 1 unit of Natural Science: any courses from BIOL (with the exception of BIOL 200), CHEM, and PHYS, and select IDSY courses
- 1 unit of Natural Science, Mathematics, or Computer Sciences

Philosophy and Religion: May also satisfy major, minor, or concentration requirements. Students may take one unit from each department or both units from the same department. **2 units**

Social Science: May also satisfy major, minor, or concentration requirements. Includes units from at least two of the following departments: ANSO, ECON, EDUC, POLS, PSYC. Excludes ECON 210, EDUC 370, EDUC 594, EDUC 490, and ENVS 490. **3 units**

Major: Eight to twelve units, specific requirements to be determined by department chair, and comprehensive exams. Department may also require a Senior Individualized Project in the subject. **8-12 units**

Senior Individualized Project: Minimum of 1 unit required to graduate. **1-2 units**

Physical Education: Any 1 activity may be counted up to 2 times. You cannot fulfill requirement taking different skill levels of the same sport. Intercollegiate team sports may be counted as many times as they are successfully completed. **1 unit**

Liberal Arts Colloquium Credit (LACC): 25 approved activities must be attended. The final activities must be completed by the end of 8th week of Spring quarter of the year you intend to graduate. **1 unit**

Required: minimum 36 academic (not including PE or LACC) units, 24 at C- or better. 2.00 cumulative GPA or higher.
