

July 2008

Dear 1963 Classmates,

Kalamazoo College will soon welcome us back for **Homecoming Weekend, October 24 – 27, 2008.**

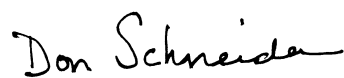

We'll come together to relive treasured college memories and share stories about our lives after "K." The campus has changed since we walked that fair Arcadian hill in 1963 – there's the Dow Science Center, the bells in Stetson Chapel, Upjohn Library Commons and lovely stained glass in the windows of the Light Fine Arts Building. And we're just in time to see the newly renovated Weimer K. Hicks Student Center – the heart and hearth of Kalamazoo College's campus. You won't want to miss how "K" has changed, while maintaining the familiarity we loved.

Our 45<sup>th</sup> reunion is just a few months away. It is not too late to:

- Make your travel arrangements,
- Reserve a hotel room – check out the room blocks with special Homecoming rates posted at [www.kzoo.edu/homecoming](http://www.kzoo.edu/homecoming),
- Join the reunion committee and help plan additional activities that will make our weekend great,
- Arrange to attend special activities for the Class of '63: Friday evening reception/party at the home of Donna & Tom Lambert, Saturday art show in the Fine Arts Building, Saturday golf outing at course TBA, 12:30 Saturday reunion photo at Stetson, 6 PM dinner at Radisson Plaza Hotel, and re-group at the Lambert's after dinner!
- Call your "K" classmates and encourage them to attend Homecoming Weekend,
- Help locate our "lost" classmates (refer to the list accompanying this letter), and
- Share your reunion biography at [www.kzoo.edu/homecoming](http://www.kzoo.edu/homecoming). Even if you can't join us on campus, we'd love to hear your story!

Enclosed, you'll find a schedule of this weekend's events. Of course, the highlight of the weekend is the time we'll spend together.

Watch your mailbox and the Homecoming website ([www.kzoo.edu/homecoming](http://www.kzoo.edu/homecoming)) for more reunion information before October. I invite you to contact me in the meantime at **(301) 942-6330** or [jdon79@aol.com](mailto:jdon79@aol.com). I hope you will join us for what promises to be a fun and exciting weekend for the Class of 1963!
