Academic Policies

It is the student's responsibility to be familiar with all policies and procedures of the College. It is ultimately the student’s responsibility to meet all graduation requirements.

Academic policies and procedures are established by the faculty to ensure the integrity of the academic program at Kalamazoo College. The Academic Standards Committee is charged by the faculty to take action on petitions made by students for adjustments to academic rules and policies. A petition must be made in writing and submitted electronically to the Academic Standards Committee. Decisions by the Committee are final; appeals of Committee decisions must be sent to the Committee and must include details that were not included in the original petition that may impact the decision of the Committee. Petitions are available on the Registrar's Website.
